Mrs. Zahn Plans Court Action to Retain Police Post

Councilwoman Mrs. Kathie Zahn today was preparing to go to court in an effort to regain her seat as Albany Police Commissioner and at the same time demanding a "public apology" from Mayor Jerome Blank who "fired" her from the post last week.

Inspirited Councilwoman announced her intentions at the Monday night Council meeting after Mayor Blank declared to an over-audience that "my action of week stands."

Mayor removed Mrs. Zahn from the post for what he termed failure to keep the Council informed as to a budgetary matter during the Police Department. Mrs. Zahn asserted in a prepared statement that she was demanding public apology because the firing "maliciously planned and meant to cause great grievance and embarrassment for me."

A written opinion to the County Attorney Edward Plomer stated that the Mayor cannot be held by court action to re-appoint her to the post should the court be judged in her favor.

Other business, the Council authorized the Junior Chamber of Commerce to hold a public "gun" November 23 at the firing range behind Albany.

Granted Albany Pre-School \$500 for paying a play area adjacent to the school grounds.

Instructed the City Attorney to study a parking ordinance for recommendation which would give residents permission to pave parking strips on owner's request.

Referred to the City Attorney and request of \$400 for the Elmer Electric Co., 730 San Pablo, for an alleged overpayment of taxes.

Albany Library Board notified the Council that dedication money for the new \$65,000 city library will be held on December 15. Marian Blackie, a graduate of the University of California, was named librarian beginning December 6. She was selected by the board from a list of 13 applicants.

ME FROM HOSPITAL. Mrs. Harry Greenwood of 1248 10th Ave. today is home convalescing after undergoing surgery recently at Permanente Hospital in Oakland.

Co-sponsored by Albany Post No. 292, American Legion, the benefit event will start at 8 p.m. A 20-pound turkey will be awarded as door prize in addition to many other useful prizes.

President Paul Houge has appointed Kenneth Nickerson and Kenneth Symington as co-chairman, assisted by Ralph Jensen, John Vercelli, Steve Terry, Wallace Collins, Harold Johansen, Richard McSheehy and Sigrid Oakley.

Albany Must Seek New City Hall Site

The City of Albany must "shop" for a new site for a proposed City Hall and Civic Center.

The University of California Board of Regents voted to deny a request of the City Council for purchase of three acres in the Gill Tract, now used for agricultural research.

Action was taken by the board last Friday on recommendation of the regents' committee on agriculture. The board stated that the University needs whatever land is now available for agricultural research to offset use of a majority of its holdings by Federal Government housing projects.

In addition, the university officials say that the land was purchased for agricultural uses and cannot be sold for other purposes.

Marin PTA Turkey Whist Tonight

Marin PTA is holding its annual benefit turkey whist 8 o'clock tonight at Marin School Auditorium, during which a 25-pound turkey will be awarded as door prize.

In addition to the door prize, nine other turkeys and many other prizes will be awarded, according to Mrs. W. F. Weston, chairman.

Coffee and cake will be served. Tickets are available at the door. Proceeds will be used for the unit's child welfare program.

The executive board will hold its regular meeting November 12 at the home of Mrs. A. A. Radder, of 1022 Santa Fe Ave. Mrs. A. E. Anacletio will serve as co-hostess.

Mrs. Norma Carr, school nurse will be the speaker at the November 18 meeting in the school auditorium at 1:30 p.m. Topic will be health, and the films "Of Human Beginnings" and "Human Growth" will be shown.

Now, to Get On!

A lot of time, money and emotion have gone into the presidential election campaign. Now the voters have spoken and the decision is in.

The task before us is to put aside the animosities and irritations which have been engendered over the past few months. Individually we are still Republicans and Democrats but collectively we are Americans. Let's get on with the job of meeting the problems of our day not as partisan groups but as a unified people.

On January 20, 1953, President-Elect Dwight D. Eisenhower becomes the President of all the people, not of one segment or another. On January 20, the new Administration makes a fresh start. Whether or not we voted for the winner isn't the important point from now on. What is important is that we uphold the hands of those chosen to uphold the security and dignity of our Nation.

Those who honestly disagree with the policies of the new President-elect are still free to advocate their own views and seek their acceptance by others. A "loyal opposition" is the essence of our democratic system. And that opposition represents millions of our people, though not a majority as expressed at the polls. But the opposition must not become blind and vengeful obstruction.

Those who have gone before us have made America a great land by their own greatness. Let us cast aside partisan pettiness and keep it that way.

Legion Maps Armistice Observance

Albany Post No. 292, American Legion will complete plans for its annual Armistice Dinner and observance at the regular business meeting 8 o'clock tonight at the Veterans Memorial Building.

The dinner will be held Saturday evening at 8 o'clock, followed by dancing from 9 p.m. to 1.

The annual event marks the social highlight on the Legion's social calendar for members and friends.

The traditional 11 p.m. ceremonies will be staged by Carl Walters, Arthur Carlson and Don Karns in commemoration of the closing of World War I.

The Post is also planning an active participation in American Education Week, and Commander Jack Purcell has urged members to visit local schools next week.

Serving on the committee are Robert Dennis, Clarence Finn, John Robins, Don Karns and Ralph Buckwalter.

To conclude Armistice Week, the Post will present Albany High

MacGregor PTA Slates Whist

Proceeds from this affair will go entirely to the unit's child welfare projects, which includes the annual school gift, special children's projects, holiday parties, life memberships, student loan funds and other benefits.

Mr. and Mrs. Edwin Volz, first vice-presidents are serving as general chairmen.

In addition to parents assisting on the party, many are contributing sandwiches and cakes to be sold at the end of the whist, along with the awarding of other prizes.

N-3—Police Residence, Yes, 4611; No, 2579. O-4—Firemen Residence, Yes, 4666; No, 2596.

Propositions N and O will permit police and firemen to live anywhere within seven road miles of the intersection of San Pablo and Solano.

The Albany Police and Fire Civil Service Club today expressed its sincere appreciation for the vote of confidence that was received in the passage of Albany Amendments 3 and 4.

Aves. The proposals were requested by the Police and Fire Chiefs because of the acute housing shortage in Albany.

The passage of the appointive propositions had been urged by Mayor Jerome Blank and Councilmen Edward Combs, William Donahue and Louis Howell as a "personal favor and a vote of confidence in our administration."

Commenting on the outcome of the election, Mayor Jerome Blank said: "The people of Albany have spoken and we accept their decision. We will continue working with them for the well being of our city."

Councilwoman Mrs. Kathie Zahn, who opposed the appointive measures said: "The citizens of Albany once

Baptist Topic

"The Ever Living Stone" will be the sermon topic of the Rev. A. O. Odegard at the 11 a.m. service Sunday at the First Baptist Church, 1319 Solano. The choir will sing "I want My Life to Tell," and Claes Wyckoff will play a trumpet solo, "His Eye Is on the Sparrow."

The pastor will speak on "Those Who Save in Tears" at the 7:30 p.m. service.

Dr. Den Arend will speak at the church on November 12, 13, 14 and 16. His description of his experiences as a member of the Dutch Underground is thrilling, and the story of his conversion and providential finding of the Mission in New York is a joy and comfort to all.

The public is invited.

ALBANY HIGH SCHOOL NEWS

The football game next Friday will culminate Albany High's 1952 football season. November 14 will see the Cougars play Antioch, and which game promises to be a battle royal.

Also on the agenda for this game is the dedication of the new field house and the donation of a memorial plaque by the Albany Post 292 of the American Legion. The pre-game program will really be something worth seeing, and the citizens of Albany are invited to attend. The admission, including the pre-game ceremonies, is 25 cents with a Student Body Card, and 75c without.

Last week the students at Albany High were treated to an assembly consisting of a concert of popular songs by the Glee Club and band. Such songs as "Auf Wiedersehn," "Dry Bones," and "All the Things You Are" made up the enjoyable program.

Tonight the Junior Class will present its production of the popular comedy "John Loves Mary" in the High School Auditorium. This play will provide an evening of hilarious entertainment for the entire family. Tickets may be purchased at the door for 50c, and curtain time is 8 p.m.

That's the news for this week, watch this column for the next edition of the Albany High News in the Albany Times.

More About City Election

Continued from page one
more have spoken by turning down overwhelmingly the proposals of four City Councilmembers to have the Chief of Police and City Attorney appointed.

A similar proposal to make the offices of Chief of Police, City Attorney, City Treasurer and City Clerk appointive by the Council was defeated at the last April municipal election.

The passage of State Proposition 2, which increases state aid to school districts, will assure Albany school teachers of an additional wage income for the current year.

Dr. Paul C. Bryan, superintendent, said today that the raise was promised to the teachers if the State proposition was approved. He said that the raise will become effective December 1 and will amount to an \$18 a month pay boost.

"The results of State Proposition 2 are extremely gratifying and will allow Albany School District to maintain its fine educational program," he said.

Albany ballot returns on national and State measures are not available at this time.

Rummage Sale Benefits Children's Hospital

The Handicapped and Crippled Children's Guild is holding a rummage sale Saturday at 10 a.m. at its headquarters, 5017 Grove St., Oakland. Proceeds from the event will augment those received from the annual Easter Seal Campaign and will provide medical care and other special services to the handicapped children throughout the county.

HESTIA CLUB TO MEET

The Hestia Club will meet 8 p.m. Monday at the home of Mrs. John Robins, 1504 Sonoma Ave. The program will be given by Mrs. Edith Preston who will speak on her hobby of collecting buttons. Mrs. Gerald Bonnington is co-hostess.

This is a True Case History

I SAVED \$116.86 ON THE CAR I BOUGHT

"I made over a 50% down payment on a late-model car. I was told it would cost me \$257.60 to insure the car and finance the balance of \$700.00. Lucky for me I'd talked to a State Farm agent first, because I used the Bank Plan instead and paid an insurance and financing charge of only \$140.74. I saved \$116.86." (One of many actual cases.)

Many People Assume Finance Rates Are Standard THEY ARE NOT!

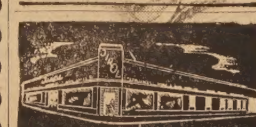

The Bank Plan offers you two proven money-saving methods. Low-cost financing through a nearby bank and low-cost preferred-risk insurance rates. Get your own figures on the cost of the car you want and COMPARE them with Bank Plan costs FIRST! Call or see your State Farm agent BEFORE you buy.

High School PTA Slates Dinner

Final plans for a pot-luck dinner to be given by the Albany High School PTA on Thursday, November 13, 6:30 p.m. at the school cafeteria honoring members of the faculty were completed at a meeting held recently at the home of Mrs. Henri J. Honner, of 713 Carmel Ave.

Mrs. Honner is chairman of the affair and will be assisted by the Mesdames Edward Combs, Lewis Jones, E. B. Hanson, W. E. Johnson, Osmer Lindsay, Irving Green, Reynold Foss, Richard Pawson, H. L. Galbraith and R. J. Rogers.

Mrs. Maurice Giles and Mrs. John Zuerner are also serving on the committee, but were unable to attend the meeting.

Mrs. William Kerr will be in charge of decorations and will be assisted by Mrs. Donald Young.

Albany High School Hostess Club Girls will serve.

The faculty will present the program under direction of Richard Meder.

GO TO CHURCH SUNDAY.

The various, Hi-Y groups of Albany YMCA today are busy with their fall program with a full calendar of events scheduled for November.

The Girls' Senior Hi-Y, under the presidency of Sandra Padgett, are planning a roller skating party for November 12. Tickets are available from all members. Proceeds from the event will be used for their various projects.

The Boys' Senior Hi-Y today has elected a new staff of officers.

Wayne Long is the president, and other officers are Richard Andrews, vice-president; Robert Ettinger, secretary, and Don Hamma, treasurer.

Among their first activities was attending a water polo session at the Berkeley YMCA last week.

The Boys' Sophomore Hi-Y, under leadership of Bill Larsen, are working on an opinion poll "Dating" questionnaire. They are also preparing a basketball team which will compete with Bay Area teams.

The Girls' Sophomore Hi-Y Club, with Pat Royer as president, heard an interesting discussion on "Dating" recently with the Berkeley Boys' Hi-Y Club.

The Boys' Junior Hi-Y, with President Kurt Freeman, are working on a questionnaire check sheet which will produce the profile of

our "1952 Boy." The boys are also planning two basketball teams, one composed of eighth graders and the other of ninth graders. They will compete with other Hi-Y teams in this area.

Elected to lead the re-organized Girls' Junior Hi-Y are Marlene Cerri, president; Nancy Weaver, vice-president; Jayne Peters, secretary, and Sandra Glass, treasurer.

The grade school boys physical education program each Monday and Thursday afternoons after school provides corrective exercises, tumbling, springboard mat work, group games and basketball skills.

The grade school girls' class in posture work, tumbling, spring board mats, mass games and basketball are a few of the activities to help youngsters to get along with each other. The class meets each Wednesday and Friday after school.

The Albany YMCA Board of Management met Thursday evening in the club room with President Clifford Lockhart presiding. The business agenda included election of new officers, financial report and report of activities.

20th Anniversary

Not everyone is happy to have another personal birthday anniversary, but we believe that business anniversaries are always noted with a certain satisfaction, because they demonstrate that the firm has continued to serve well.

The individual, you see, continues to exist whether he's good

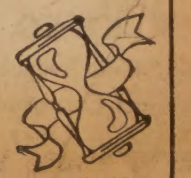

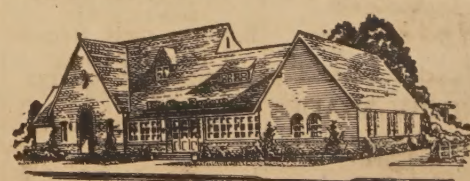

or bad, useful or otherwise. With a business organization, this is not true; only a firm with policies which meet with public approval, and win public patronage, can hope to survive.

It is with real and understandable satisfaction, therefore, that we observe this, our 20th anniversary.
